Marc Bolan - guitar and vocal

Dino Dines- keyboards

Herbie Flowers- bass

Tony Newman- drums

Bud Beadle- baritone sax and flute

Chris Mercer- tenor sax

Teen riot structure, ankle deep in fear

Babies lost in bellies and the oracle can't hear

A demon angel demi-god blasted

through the night

Me and Lucy Lightning holding on real tight

An ancient Lord in wonder rung upon my bell

I fed him with my nightmares

And he ate my dreams as well

All London was in blazes burning to the sound

Of deep galactic tragedies

In stereophonic sound

A tempest teen of stature in

Gatsby hat and cloak

Licked upon my lollipop,

but I didn't get the joke

As devastation mounted

my wardrobes almost burned

The teens held hands on shifting sands

and wonder what they learnt

Repeat in toto

Structure

Teen riot structure

Repeat
