Marc Bolan - guitar and vocal

Dino Dines - keyboards

Herbie Flowers- bass

Tony Newman- drums

Alfalpa- additional vocals

Well you damaged the soul of my suit

You pulled my love out by the roots

But I'm not such a bad boy- oh no *

You ravished the runes of my tunes

You put on the gloves of my loves

But you're not such a bad girl- oh no

Rock and rolled it even strolled it, baby

Rock and rolled it, yeah

Rock and rolled it even strolled it, baby

Rock and rolled it, yeah

* Repeat

I love you, yeah
