Everyone loves you
But they don't love you like I do
Everyone knows you,
But they ain't seen this side of you
I'm over the measure
As one shot turns into four
And I end up injured
As love turns into war

Oh whoaaa, oh whoaaa (2x)

When I get over you,
And get the dirt off my shoulder.
Will I look like a fool,
Or just a whole lot older

Givin' myself to you
Is like givin' myself to a chainsaw
You keep cuttin' me open why
Is that the only thing that your good for
Givin' myself to you
Is like givin' myself to a chainsaw
You keep cuttin' me open why
Is that the only thing that your good for

I can't remember
How we started this thing
But I know I was better
Before you pulled the strings
Something to mention
Before you kill me so
I won't be the last one
The last one that's for sure

Oh whoaaa, oh whoaaa (2x)

When I get over you,
And get the dirt off my shoulder
Will I look like a fool,
Or just a whole lot older

Givin' myself to you

Is like givin myself to a chainsaw
You keep cuttin me open why
Is that the only thing that your good for
Givin myself to you
Is like givin myself to a chainsaw
You keep cuttin me open why
Is that the only thing that your good for

What you gonna do when you've had enough
What u gonna say when it's all to late
What you gonna do when you fall in love
How you gonna feel when it hurts the same
What you gonna do when you've had enough
What u gonna say when it's all to late
Staring at the things that you broke apart
And you know you can't put 'em back again

Givin myself to you
Is like givin myself to a chainsaw
You keep cuttin me open why
Is that the only thing that your good for
Givin myself to you
Is like givin myself to a chainsaw
You keep cuttin me open why
Is that the only thing that your good for yeah yeah

Givin myself to you
Is like givin myself to a chainsaw
(Repeat)

Givin myself to you!
