La da da da daaaaaaa...

Yea yea yeaaaa...

Wooo!

Verse I:

Tell me what's wrong pretty lady,

Cause you lookin' lonely tonight,

I know I can fix that,

Do you wanna chill if it's alright with you lady,

Now I'm not tryin' to holla at you,

And girl don't take me for a fool,

But I gotta let you know that I'm diggin you, yea

And I really really wanna be cool with you,

Listen baby...

Chorus:

Ain't tryin' to rush into anything,

Ain't tryin' to wear no wedding ring,

I just wanna be cool, with you lady...

And no I'm not tryin' to get ahead,

Ain't tryin' to get you in my bed,

I just wanna be cool with you.

La da da da da da ohhhhhh

Verse II

It's a melody when I think of you, hey yea yea,

You got my head spinnin' round and round and round
and round,

And you turn my frown upside down,

Please don't dismiss everything I'm sayin',

And I want you to know I ain't playin',

So would it be too much if I asked to chill wit' you,

Don't call it a first date nooo cause I just wanna be cool,

Chorus

Bridge: repeat 2-3 times

I just wanna be cool, cool with you

Chorus x 2

Ain't tryin' to rush into anything,
I just wanna be cool,
No I'm not tryin' to get ahead,
I just wanna be cool with you...
