Verse I

I don't know why I feel this way
I feel it everyday but
I don't ever seem to mind
I am so in love with you
So tell me what you wanna do
Because I wanna know,
I wanna know...

Chorus

And everytime I try to find
The words to tell you
You are my life
I get so scared and confused,
Don't wanna rush
So I hide...

Verse II

What am I so afraid of?
The sparkle in your eyes
Tells me you're wanting me
But I put my head down
Everytime you come my way.
I want you to know you are my everything
You fill my doubtful days
With your certainties
When I'm with you,
All my dark nights turn into bright mornings
I'm afraid, but I gotta let you know...

Chorus

And everytime I try to find
The words to tell you
You are my life
I get so scared and confused,
Don't wanna rush
So I hide...
Thinkin' about you every night and day
Thinkin' of all the words I wanna say
But yet I'm so scared, I refuse
Don't wanna rush,
I need time

Bridge

Maybe in a little while
I need to figure out
How I'm gonna tell you
What I feel in my heart
I'm gonna let you know,
I gotta let you know...

Chorus

And everytime I try to find
The words to tell you
You are my life
I get so scared and confused,
Don't wanna rush
So I hide...
Thinkin' about you every night and day
Thinkin' of all the words I wanna say
But yet I'm so scared, I refuse
Don't wanna rush,
I need time

And everytime I try to find
The words to tell you
You are my life
I get so scared and confused,
Don't wanna rush
So I hide...

No I don't wanna rush,
So I hide
