Thinkin about those mindless days
When I used to mess around
But now things have changed
Cuz now I know that I messed up
And what goes around comes around
I feel so ashamed

I've gone through so much pain
I deserve what I get
I am what I am
I'm only a human
I learn from my mistakes
So accept me for who I am
Not what I want

If love is in your heart
Then give your heart to me
Don't take it all away
Cuz one day you will see
You're all that I have
And you're all that I need
If love is in your heart
Then I'll be your everything

The things I've said
The things I've done
I wanna redo them all (I wanna take them all away)
But I know I can't, All I can do
Is live on, knowing it hurts too (It hurts too)
Now someone special enters my heart
Yes I'll promise you I'll treat her right (I promise)
Heaven knows that I'd give her my all
But please Lord let her know inside (Let her know
inside)

I learn from my mistakes
That's something that's for sure
I am what I am
I know I'm only human
But take my hand, I'll show
The true man that I can be
Let me show you girl (Let me show you)

If love is in your heart
Then give your heart to me
Don't take it all away
Cuz one day you will see
You're all that I have
And you're all that I need
If love is in your heart
Then I'll be your everything (Let me be your everything)

Every night it seems as if the night will never end
Late at night I close my eyes, praying they would
understand
I want you to realize, I'm not what I used to be
All I need is this one chance
To make you see...
I need to have you here right now

If love is in your heart
Then give your heart to me
Don't take it all away
Cuz one day you will see
You're all that I have
And you're all that I need
If love is in your heart
Then I'll be your everything...
