Verse I

I don't know where to begin with
I'm trynna find the right words to say-ay
'Cause girl you're so a-ma-zing, in every single way-ay
Could it be the smile on your face that brightens my
day
Is it the way that you carry yourself
I don't know what it is girl, all I really know is you're my
world
There's no one else for me girl but you
Sing it with me baby

Chorus

Hey love look what you've done to me
Got me thinking like you're my everything
Say yes don't say no, girl I'm losing control
Just thinking of you, no one else will do

Verse II

Now baby girl I aint gonna lie (aint gonna lie)
You're the apple of my eye (of my eye)
There's no one else for me but you (no one else for me
but you)
Now baby it 's obvious that I'm letting you hold my trust
I wanna be with you forever through eternity

Chorus

Hey love look what you've done to me
Got me thinking like you're my everything (my

Just thinking of you, (just thinking of you) no one else
will do (no else will do)

Can I know what 's on your mind (on your mind)
I hope the feelings you feel are the same as mine
