Verse I

Ooooo Yeahh Yeahh
Life goes on so quickly so fast
And I never thought that this bond would never last
But the tables have turned that things are rearranged
And I gotta move on yeah my whole life's changed

Chorus

I never thought that telling the truth would cause such a mess
And I never cared for someone so damn much they could care less
So it's easily can fix this situation.
Now I know I had felt the reason to leave you

Verse II

Or maybe I'm wrong or maybe I'm out of lines
Yet I tried so hard to apologize I ran out of time
And what I don't understand from you is how you fill
Me with guilty knowing you're gon ' turn right around
Talk this and that and lie to my face.

Chorus

I never thought that telling the truth would cause such a mess
And I never cared for someone so damn much they could care less
So it's easily can fix this situation.
Now I know I had felt the reason to leave you

Bridge

They say things will get better in time (in time)
But I say things are better without you here in my life
And I know (I know) we all make mistakes
But this one (this one) I cannot take (cause you play me for a fool yeaaaah)

Chorus

I never thought that telling the truth would cause such a
mess (I never thou-ou-ou-ought)
And I never cared for someone so damn much they
could care less
So it's easily can fix this situation. (this situation is
downhill from here)
Now I know I had felt the reason to leave you

Chorus

I never thought that telling the truth would cause such a
mess
And I never cared for someone so damn much they
could care less
So it's easily can fix this situation.
Now I know I had felt the reason to leave you behind
To leave you behi-i-i-i-i-nd

Ohh Ohh
