Hey Girl  
Was he everything you wanted in a man?  
You know I gave you the world  
You had me in the palm of your hand  
So why your love went away  
I just can't seem to understand  
Thought it was me and you, baby (baby)  
Me and you until the end  
Girl I guess I was wrong

Don't wanna think about it (uh)  
Don't wanna talk about it (uh)  
I'm just so sick about it  
I can't believe it's ending this way  
Just so confused about it (uh)  
Feeling the blues about it (yeah)  
I just can't do without ya  
Can you tell me is this fair

Is this the way it's really going down?  
Is this how we say goodbye?  
Shoulda known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
Cause I know that you're living a lie  
But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes  
all the way back around  
What goes around, goes around, goes around, comes  
all the way back around  
Yeah

Now Girl  
I remember everything that you claimed  
You said that you were moving on now (on now)  
Maybe I should do the same (maybe I should do the  
same)  
The funny thing about that is  
I was ready to give you my name  
Thought it was me and you baby (baby)  
And now, it's all just a shame

Girl I guess I was wrong {yeah, yeah}

Don't wanna think about it (no)  
Don't wanna talk about it (hm)  
I'm just so sick about it  
I can't believe it's ending this way  
Just so confused about it (uh)  
Feeling the blues about it (yeah)  
I just can't do without ya  
Can you tell me is this fair

Is this the way it's really going down?  
Is this how we say goodbye?  
Shoulda known better when you came around  
That you were gonna make me cry  
Now it's breaking my heart to watch you run around  
Cause I know that you're living a lie  
But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes  
all the way back around  
What goes around, goes around, goes around, comes  
all the way back around  
What goes around, goes around, goes around, comes  
all the way back around  
What goes around, goes around, goes around, comes  
all the way back around  
Yeah

Yup  
Yup  
Yup (let me paint this picture for ya, baby)  
Yup

You spend your nights alone  
And he never comes home  
And everytime you call him, all you get is a busy tone  
I heard you found out  
That he's doing to you  
What you did to me  
Ain't that the way it goes  
When you cheated, girl  
My heart bled, girl  
And that goes without saying that should let the feeling  
hurt  
Just a classic case scenario  
Tail is always time  
Girl, you got what you deserved  
And now you want somebody  
To cure the lonely nights  
You wish you had somebody

That could come and make it right  
But girl, I ain't somebody  
I'm out of sympathy  
See, see

What goes around comes back around  
I thought I told ya  
Hey (hey)  
What goes around comes back around  
I thought I told ya  
Hey (hey)  
What goes around comes back around  
I thought I told ya  
Hey (hey)  
What goes around comes back around  
I thought I told ya  
Hey (hey)

Hey, hey, hey, hey (repeatedly till the end)

Haha  
See  
You shoulda listened to me, baby  
Because  
What goes around comes back around  
Ooh  
Ooh-ooh-ooh-ooh  
Ooh  
Ooh-ooh-ooh-ooh
