I lost you on that fateful night.  
Could not see.  
Could not foresight.  
I brought you these flowers,  
But could not resist  
To steal this kiss in the mist.

I want to lay beside.  
I want to hold your hand  
And fall in the shadow of love.  
It's ok, I'll take all the blame.  
To stare in your eyes from above.  
This cannot be, it was told to me.  
Hear my cries from beyond.  
It's alright. I'll try anything  
To be with you.  
This blue kiss...

I'll rise you up and look in your eyes.  
No one sees, like a shadow in the night.  
I can't explain why I feel this way.  
Forever could only be now.

I want to lay beside.  
I want to hold your hand  
And fall in the shadow of love.  
It's ok, I'll take all the blame.  
To stare in your eyes from above.  
This cannot be, it was told to me.  
Hear my cries from beyond.  
It's alright. I'll try anything  
To be with you.  
This blue kiss...

Holding on to things of the past.  
Until you die you think it'd last.  
For a blue kiss, this blue kiss...  
You lay alone in the dark.  
Your life is gone. She was my girl.  
A blue kiss, oh this, this blue kiss...

I lost you on that fateful night.

Could not see.  
Could not foresight.  
I brought you these flowers,  
But could not resist  
To steal this kiss in the mist.

I want to lay beside.  
I want to hold your hand  
And fall in the shadow of love.  
It's ok, I'll take all the blame.  
To stare in your eyes from above.  
This cannot be, it was told to me.  
Hear my cries from beyond.  
It's alright. I'll try anything  
To be with you.  
This blue kiss...
