She is in denial
Wasting her tears
Her cries it makes her bleed

She's done no crime
She thought trapped in a cell
Oh, deep inside of my

My prison of love
Too much
Waiting for something that don't exist

My prisoner of love
All this torture
Just waiting for a kiss

You're not alone
Open your eyes
Just look into your soul

A soul that weeps
All through the day
And through eternity

Losing your heart
You're just a fool
Don't let it be ripped apart

My prisoner of love
All this torture
Just waiting for a kiss

My prisoner of love

My prisoner of love
All this torture
Just waiting for a kiss

See what you've done
This plague of emotion
You whised that we where one

A river of tears
Drains to your heart
And awakens all your fears

My prisoner of love
Too much
Waiting for something that don't exist

My prisoner of love
Waiting, waiting
Just for that last kiss
