Come and take my hand and walk with me  
Through the graves and I'm haunting you  
From the other side.

They're your darkest dreams  
Airwaves die on the city streets  
And I hold you close, close by my side

Psycho, psycho Radio.  
Psycho, it drives me crazy oh.  
Psycho, psycho radio nights.  
Psycho, Psycho radio.  
Psycho, it drives me crazy oh,  
Psycho, psycho radio.

When the moon comes up and the creatures wait  
From the hallow worlds  
And we take the night bemuse it's grace  
And the city rumbles when sonic freaks roam in the  
streets and I lay in my tomb  
Dreaming of you

Psycho, psycho Radio.  
Psycho, it drives me crazy.  
Psycho, psycho radio nights.  
Psycho, Psycho radio.  
Psycho, it drives me crazy oh,  
Psycho, psycho radio.

You look so beautiful in the moonlight.  
And when I look at you, I could die.  
You look so beautiful in the moonlight.  
It's only psycho.

Come and take my hand and walk with me  
Through the graves and I'm haunting you  
From the other side.

Psycho, psycho Radio.  
Psycho, it drives me crazy.  
Psycho, psycho radio nights.  
Psycho, Psycho radio.

Psycho, it drives me crazy oh,  
Psycho, psycho radio.
