Starting out a brand new day
Got the whole world in my hands
I got the whole world in my hands

Judging from your sorry face
You want to sabotage my plans
Won't let you sabotage my plans

Why can't you see,
I just want to be ha ha happy

After all that I've been through
All I want to do is
Give you some good news
Chase away bad blues
Do what I have to
So you can be happy

Crease your brow into a frown
You always drag me down
I won't let you drag me down

Crack your mouth into a smile
But you smile without your eyes
You won't make it worth my while

Why can't you see
I just wanna be ha ha happy

You think you're being cool
But you're just rude

So don't be a big fool
Lose the bad attitude
Do what you have to
So you can be

Ho hum my old chum
Why do you look so glum
Now you've got me stumped
I wanna have some fun

Do you want some, do you, do you
Do you, do you want some, do you,
Do you want, do you, do you want some

What?!
Fun

You think you're being cool
But you're just rude

So I shoot for a full moon
Catch on a good tune
Break in your new shoes
Do what I have to
So you can be
Ha, ha, ha, ha, ha....
