Filthy newsday
Filthy weather
Filthy thoughts keeping us together
Filthy minds
Filthy wishes
Filthy dreams sink with filthy dishes
While all around you falls apart
Keeping us together
So I work my fingers to the bone
Keeping us together
Spinning circles, spinning lines
Spinning crows feet around your eyes
Spinning tops, spinning tales
Watch your life spinning down the drain
I'll go on fighting for the cause
Keeping us together
So I'll work my fingers to the bone
Keeping us together
Reach across, the great divide
We'll be together side by side
Won't take so long
You'll find me there
If I could hold my breath another minute, I would,
And never want it back
Rock the boat, rock the Kasbah
Rock my world, I won't falter
Take me home, light the candles
Lighten my load when it's too hard to handle
I'll go on fighting for the cause
Keeping us together
And I'll work my fingers to the bone
Keeping us together
