Now I'm not your girlfriend
Not the one to hold you
Not the one to hold you up
Not the one to hold you down
Not the one to make you
Not the one to make you think
Not the one to make you dinner
Not the one to make you quiver
Now I'm not your girlfriend
Not yours
Not the one who's there
Not the one who's there after
Not the one in the next chapter
Not the one you want
Not the one who wanted two
Not the one who'll see you through
Not the one who'll see through you
Not the one you'll lie to
Not the one who'll lie for you
Not the one who's lying in your arms
Now I'm not your girlfriend not your girlfriend that is
fine
Now I'm not your girlfriend I just hope you realise
If I'm not your's, you're not mine
Not the one you'll keep
Not the one to keep you waiting
Not the one you're over-rating
Not the back you'll scratch
Not the monkey on your back
Not the one you're giving presents
Not the one who's past forgiveness
Not the one you're tied to
Not the one who'll tire you
Not the one who's trying just too hard
Now I'm not your girlfriend not your girlfriend that is
fine
Now I'm not your girlfriend I just hope you realise
If I'm not your's, you're not mine
I'll be the one whose laughter rings on past our time
I'll be the one whose picture reminds you of better
times
Now I'm not your girlfriend not your girlfriend that is

fine
Now I'm not your girlfriend I just hope you realise
If I'm not your's, you're not mine
