He dreams in light  
So moon and stars can fight  
While he is playing  
In the pale moon light

With eyes shut tight  
His dreams are sharp as night  
And he is saving them  
Until the timing is right

Wake now child  
In the middle of the night  
The edges of your mind  
Have grown a little wild

Dreaming blade  
Take the fear away  
Dreaming blade  
Cut it all away

Can you cut like a knife  
Destroy what I don't like  
Dreaming blade  
Let me dream away
