If I wrote a note to God
I would speak what's in my soul
I'd ask for all the hate to be swept away
For love to overflow

If I wrote a note to God
I'd pour my heart out on each page
I'd ask for war to end
For peace to mend this world
I'd say, I'd say, I'd say

Give us the strength to make it through
Help us find love cause love is over due
And it seems like so much is goin wrong
On this road... we're on

If I wrote a note to God
I'd say please help us find our way
End all the bitterness
Put some tenderness in our hearts
And I'd say, I'd say, I'd say

Give us the strength to make it through
Help us find love cause love is over due
And it looks like we haven't got a clue
Need some help from you
Grant us the faith to carry on
Give us hope when it seems all hope is gone
Cause it seems like so much is goin wrong
On this road we're on

No, no no no
We can't do this on our own
So

Give us the strength to make it through
Help us find love cause love is over due
And it looks like we haven't got a clue
Need some help from you
Grant us the faith to carry on
Give us hope when it seems all hope is gone

Cause it seems like so much is goin wrong
On this road we're on

No, no no no
We can't do this on our own
So, So

If I wrote a note to God
