Abide with me, fast falls the eventide  
The darkness deepens, Lord with me abide  
When other helpers fail and comforts flee  
Help of the helpless, o abide with me.

I need Thy presence every passing hour  
What but Thy grace can foil the tempter's pow'r  
Who like Thyself my guide and stay can be  
Through cloud and sunshine o abide with me.

--- Instrumental ---

I fear no foe with Thee at hand to bless  
Ills have no weight and tears no bitterness  
Where is death's sting, where grave thy victory  
I triumph still if Thou abide with me.

Abide with me...
