I closed my eyes  
Drew back the curtain  
To see for certain  
What I thought I knew  
Far far away  
Someone was weeping  
But the world was sleeping  
Any dream will do.

I wore my coat  
With golden lining  
Bright colors shining  
Wonderful and new  
And in the east  
The dawn was breaking  
And the world was waking  
Any Dream will do.

A crash of drums  
A flash of light  
My golden coat  
Flew out of sight  
The colors faded into darkness  
I was left alone.

May I return  
To the beginning  
The light is dimming  
And the dream is too  
The world and I  
We are still waiting  
Still hesitating  
Any dream will do.

--- Instrumental with background humming children ---

A crash of drums  
A flash of light  
My golden coat  
Flew out of sight  
The colors faded into darkness  
I was left alone.

May I return  
To the beginning  
The light is dimming  
And the dream is too  
The world and I  
We are still waiting  
Still hesitating  
Any dream will do.

Any dream will do.

Any dream will do.

Any dream will do.

Any dream will do...
