Oh, it's cryin' time again, your gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me, darling  
That it won't be long before it's cryin' time.

Now they say that absence makes the heart grow  
fonder  
And that tears are only rain to make love grow  
Well, my love for you could never grow no stronger  
If I live to be a hundred years old.

Oh, it's cryin' time again, your gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me, darling  
That it won't be long before it's cryin' time.

--- Instrumental ---

Now, you say that you've found someone you love  
better  
That's the way it's happened every time before  
And as sure as the sun comes up tomorrow  
Cryin' time will start when you walk out the door.

Oh, it's cryin' time again, your gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me, darling  
That it won't be long before it's cryin' time.

I can tell by the way you hold me, darling  
That it won't be long before it's cryin' time...
