Oh, my heart won't believe that you have left me
I keep telling myself that it's true
I can get over anything you want, my love
But I can't get myself over you.

Don't forget to remember me
And the love that used to be
I still remember you, I love you
In my heart lies a memory to tell the stars above
Don't forget to remember me, my love.

On my wall lies a photograph of you girl
Though I try to forget you somehow
You're the mirror of my soul, take me out of my hole
Let me try to go on living right now.

Don't forget to remember me
And the love that used to be
I still remember you, I love you
In my heart lies a memory to tell the stars above
Don't forget to remember me, my love.

Don't forget to remember me, my love...
