I'm tempted my darling, to steal you away
So help me darling, stay out of my way
You know that I love you, and I'm not the cheatin' kind
But I'm facing a heartache and loves cheating line.

Don't let me cross over loves cheating line
You belong to another and you'll never be mine
I know one step closer, would be heaven divine
Don't let me cross over, loves cheatin' line.

--- Instrumental ---

I tried to forget you, but what else can I do
When your eyes keep saying, that you love me too
I know if I lose you, not a dream will I have left
I don't want to cheat, dear, but I can't help myself.

Don't let me cross over loves cheating line
You belong to another and you'll never be mine
I know one step closer, would be heaven divine
Don't let me cross over, loves cheatin' line.

Don't let me cross over, loves cheatin' line...
