It's four in the mornin'
And once more the dawnin'
Just woke up the wantin' in me
Wishing I'd never met her
Knowing if I'd forget her
How much better off she would be.

The longer that I hold on
The longer that it goes on
The harder that it's gonna be
But it's four in the morning
And once more the dawning
Just woke up the wanting in me.

I've never deserved her
God knows when I hurt her
That's the last thing that I wanna do
She knows but she can't tell
How she feels but I know
Too well what she's going through.

If I love her so much
I don't know why I can't do
The right thing and just let her be
It's four in the morning
And once more the dawning
Just woke up the wanting in me.

--- Instrumental ---

Last night I told her
This time it's all over
Making ten times I told her goodbye
Last night we broke up
This morning I woke up
For the tenth time I'm changing my mind.

I saw more love in her
Eyes when I left her
Than most foolish men will ever see
And It's four in the morning
And once more the dawning

Just woke up the wanting in me.

Yes, it's four in the morning
Once more the dawning
Just woke up the wanting in me...
