I wouldn't change a single thing about you if I could
The way you are just suits me too a tee
A princess in a storybook, a king upon his throne
That's what we are and you belong too me.

Chorus:

I wouldn't change you if I could I love you as you are
You're all that I would wish for if I wished upon a star
An angel sent from heaven you're everything that's
good
You're perfect just the way you are I wouldn't change
you if I could.

--- Instrumental ---

Your eyes, your lips, your tender smile and I'd leave
them as they are
And come what may I'd never change a thing
And if I were a potter and you a piece of clay
The only thing I'd change would be your name.

Chorus:

I wouldn't change you if I could I love you as you are
You're all that I would wish for if I wished upon a star
An angel sent from heaven you're everything that's
good
You're perfect just the way you are I wouldn't change
you if I could...
