There you go and baby here am I
Oh well, you left me here so I could sit and cry
Will you apologize what have you done to me
Well, I guess it doesn't matter anymore.

Do you remember baby last September
How you held me tight each and every night
You was so dazy how you drove me crazy
But I guess it doesn't matter anymore.

There's no use in me a cryin'
I've done everything and now I'm sick of tryin'
I've thrown away my nights
And wasted all my days over you.

You go your way and I'll go mine
Now and forever till the end of time
I'll find somebody new baby we'll say we're through
You won't matter anymore.

--- Instrumental ---

There's no use in me a cryin'
I've done everything and now I'm sick of tryin'
I've thrown away my nights
And wasted all my days over you.

You go your way and I'll go mine
Now and forever till the end of time
I'll find somebody new baby we'll say we're through
You won't matter anymore.

No, You won't matter anymore.
I guess it doesn't matter anymore...
