I knew this girl named Detroit Cool
Who lived up in my block.
6 foot 2 with knee socks high,
And class of 80 rocks

She got hips that sway for you,
She got legs that never really stop.
She asked me if My mama dressed me,
And I do like I should.

From East Delroy to 51st,
I'm on this neighbourhood.
She just smiles and says to me,
"I just wanna know if we are good."

She said "Tell me once again why would you lie to me?"
She said "Do me like you should, why won't you try for
me."
It all depends on you, where would you rather be?
'Cause I've got everything you want,
Take me back to yours,
'Cause that's the rest I want."

You can't trust me,
We won't make it;
Let me put you in the mood.
She said "No no I've been there before
You've got that attitude.
You sold me out before all this,
I know I'm fabulous without you."

"Tell me once again why would you lie to me?"
She said, "do me like you should, why won't you try for
me?"
It all depends on you, where would you rather be,
Cos I've got everything you want,
Take me back to yours.

Why'd it take so long,
It's all gone wrong,
And I can't say why,

'Cause I got everything you need;
Cruising like you do,
It's a time for you to believe.

"Tell me once again why would you lie to me,"
She said "Do me like you should, why won't you try for
me?
It all depends on you, where would you rather be?"

"Tell me once again why would you lie to me,"
She said "do me like you should, why won't you try for
me.
It all depends on you, where would you rather be?"
