I may say that I don't care
Hold my head up in the air
Even tell my friends I'm glad that you don't call
But when the day is through
My heartaches start anew
And that's when I miss you most of all.

And my arms (my arms) keep reaching for you
My eyes (my eyes) keep searching for you
My lips keep calling for you
And my shoes (my shoes) keep walking back to you.

--- Instrumental ---

No matter how much I pretend
I wish I had you back again
For nothing else means half as much as you
Our world just seemed to die
The day you said goodbye
And I can't forget no matter what I do.

And my arms (my arms) keep reaching for you
My eyes (my eyes) keep searching for you
My lips keep calling for you and
And my shoes (my shoes) keep walking back to you.

And my shoes keep walking back to you...
