We are in the back of the car
You are on top of me
Your naked body sweat drips on me

Do I care?
No I don't
Feeling horny right now
Kissing your ass right now
Licking your fanny right now
Your licking my dick right now
I'm thinking about your naked body sweat right now

You touch it
It feels so good
I go to bum you now
Then the car door opens
Your Dad says "What the fuck?"
I try to grab my clothes and run
But your Dad punches me before I go far
My accretion goes down
Your Dad's anger goes up
My braces have got lipstick over them
My balls have you kiss marks all over them
I look at you
You look at me
Naked body sweat dripping all over me
Your boobs got a love bite
He grabs you by the arm
And screams "Why and what the fuck have you done?"
I thought I trusted you
But now having sex with this guy ain't gonna tell me
what to do"
You start to cry
Sitting on the edge legs hanging out
I punch your Dad in the head
Knocked out and I push you in the car
I tell you "Get fucking horny again"

Then we make more
Then we make more
We make more naked body sweat

Naked body sweat
Naked
Body
Sweat
