There'll never be anyone else
But you for me
Never ever be, just couldn't be
Anyone else but you.

If I could take my pick of all
The girls I've ever known
Then I'd come and pick you out
To be my very own.

There'll never be anyone else
But you for me
Never ever be, just couldn't be
Anyone else but you.

A heart that's true and longs for you
Is all I have to give
All my love belongs to you
As long as I may live.

There'll never be anyone else
But you for me
Never ever be, just couldn't be
Anyone else but you.

Never will forget
The way you kissed me
When we're not together
I wonder if you've miss me.

'Cause I hope and I pray the day will come
When you belong to me
Then I am gonna prove to you
How true my love can be.

There'll never be anyone else
But you for me
Never ever be, just couldn't be
Anyone else but you.

Never ever be, just couldn't be
Anyone else but you...
