I'll play second fiddle
To your new love while it lasts
Just like all the others
I've played for in the past.

Why can't I be a leader
And play a leading part
Why must I always have to play
Second fiddle in your heart?

Chorus:
Play, fiddle play
Will there never come a day
When I won't have to play the part
Of second fiddle in your heart?

--- Instrumental ---

Each time you find a new love
You leave me here to cry
The teardrops tell a story
Of a love that just won't die.

Like an early mornin' paper
The news you get just parts
Why must I always have to play
Second fiddle in your heart?

Chorus:
Play fiddle play.
Will there never come a day
When I won't have to play the part
Of second fiddle in your heart?

Chorus:
Play fiddle play.
Will there never come a day
When I won't have to play the part
Of second fiddle in your heart?...
