He looked down into her brown eyes
And said, "Say a prayer for me"
She threw her arms around him
Whispered, "God will set us free"

They could hear the riders comin'
He said, "This is my last fight
If they take me back to Texas
They won't take me back alive"

There were seven Spanish angels
At the altar of the sun
They were prayin' for the lovers
In the valley of the gun

When the battle stopped and the smoke cleared
There was thunder from the throne
Seven Spanish angels
Took another angel home

She reached down and picked the gun up
That lay smokin' in his hand
She said, "Father, please forgive me
I can't make it without my man"

And she knew the gun was empty
And she knew she couldn't win
But her final prayers were answered
When the rifles fired again

There were seven Spanish angels
At the altar of the sun
They were prayin' for the lovers
In the valley of the gun

When the battle stopped and the smoke cleared
There was thunder from the throne
Seven Spanish angels
Took another angel home

There were seven Spanish angels
At the altar of the sun

They were prayin' for the lovers
In the valley of the gun

When the battle stopped and the smoke cleared
There was thunder from the throne
Seven Spanish angels
Took another angel home

When the battle stopped and the smoke cleared
There was thunder from the throne
Seven Spanish angels
Took another angel home

Oh, seven Spanish angels
Took another angel home
