(Wanda Ballman - J.W. Arnold)

You see her there at the bar across the room
She looks like an angel with her paint and perfume
You'd like to meet her, your conscience says no
Obey your conscience, turn around boy and go.

She's no angel, she's no angel, her wings are not real
She'll ruin your life it's your heart she can steal
She'll tell you tales to bring tears to your eyes
But don't you believe them for they're only lies.

--- Instrumental ---

You think if only she could be your own
You'd be more contented than a king on his throne
You'd better not trust her, it's wrong if you'd do
She's broken my hearts and she'll break yours too.

She's no angel, she's no angel, her wings are not real
She'll ruin your life, it's your heart she can steal
She'll tell you tales to bring tears to your eyes
But don't you believe them for they're only lies.

No, don't you believe them for they're only lies...
