Chorus:

Darling, I am growing old,  
Silver threads among the gold  
Shine upon my brow today  
Life is fading fast away.

But, my darling, you will be, will be  
Always young and fair to me  
Yes, my darling, you will be  
Always young and fair to me.

When your hair is silver white  
And your cheeks no longer bright  
With the roses of the May  
I will kiss your lips and say.

Oh! my darling, mine alone, alone  
You have never older grown  
Yes, my darling, mine alone  
You have never older grown.

Chorus:

Love can never more grow old  
Locks may lose their brown and gold  
Cheeks may fade and hollow grow  
But the hearts that love will know.

That, my darling, you will be, will be  
Always young and fair to me  
Yes, my darling, you will be  
Always young and fair to me.

Always young and fair to me...
