I supposed I ought to say congratulations
For you've won the only girl I've ever loved
But I've hurt too much to face the situation
Take good care of her, take good care of her.

Just to be around her was my greatest pleasure
She was everything my future held in store
So remember when you take my only treasure
Take good care of her, take good care of her.

I must accept it, she loves you more than me
So with my broken heart I'll bow out gracefully.

Please don't send me any wedding invitations
For I couldn't bare to see her there with you
If she's happy that will be my consolation
Take good care of her, take good care of her.

--- Instrumental ---

I must accept it, she loves you more than me
So with my broken heart I'll bow out gracefully.

Please don't send me any wedding invitations
For I couldn't bare to see her there with you
If she's happy it will be my consolation
Take good care of her, take good care of her.

I still love her, take good care of her...
