Thank you for loving me
From the bottom of my heart
Thank you for loving me
Thank you sweetheart.

Thank you for loving me
And for being what you are
Thank you for loving me
Thank you sweet heart.

Of all the hearts you've known
And could have chosen
The blessing of your love surrounded me
And for me the door of love

Had long been closing
If not for you I'd still be searching
For my dream.

Thank you for loving me
From the bottom of my heart
Thank you for loving me
Thank you sweetheart.

Thank you for loving me
And for being what you are
Thank you for loving me
Thank you sweet heart...
