Every night I sit here by my window (window)  
Staring at the lonely avenue (avenue)  
Watching lovers holding hands and laughing  
(laughing)  
Thinking about the things we used to do.

(Thinking about things) like a walk in the park  
(Things) like a kiss in the dark  
(Things) like a sailboat ride (yeah, yeah)  
What about the night we cried  
Things like a lovers vow  
Things that we don't do now  
Thinking about the things we used to do.

Well, memories are all I have to cling to (cling to)  
And heartaches are the friends I'm talking to (talking  
to)  
When I'm not thinking of just how much I love you  
I'm thinking about the things we used to do.

(Thinking about things) like a walk in the park  
(Things) like a kiss in the dark  
(Things) like a sailboat ride (yeah, yeah)  
What about the night we cried  
Things like a lovers vow  
Things that we don't do now  
Thinking about the things we used to do.

I still can hear the jukebox softly playing  
The face I see each day belongs to you  
There's not a single sound  
There's nobody else around  
Just me thinking of things we used to do

(Thinking about things) like a walk in the park  
(Things) like a kiss in the dark  
(Things) like a sailboat ride (yeah, yeah)  
What about the night we cried  
Things like a lovers vow  
Things that we don't do now  
Thinking about the things we used to do.

Well, I'm just thinking about the things we used to do.  
Walking down the lonely avenue  
Yes, I'm just thinking about the things we used to do...
