Got no bags and baggage to slow me down  
I'm traveling so fast my feet ain't touching the ground  
Traveling light, traveling light  
Well, I just can't wait to be with my baby tonight.

No comb, no tooth brush  
I got nothing to haul  
I'm carrying only a pocketful of dreams  
A heart full of love  
And they weigh nothing at all.

Soon gonna see that love in her eyes  
I'm a hoot and a holler away from paradise  
Traveling light, traveling light  
Well, I just can't wait to be with my baby tonight.

No comb, no tooth brush  
I got nothing to haul  
I'm carrying only a pocketful of dreams  
A heart full of love  
And they weigh nothing at all.

Soon gonna see that love in her eyes  
I'm a hoot and a holler away from paradise  
Traveling light, traveling light  
Well, I just can't wait to be with my baby tonight.

Aw, I just can't wait to be with my baby tonight.  
No, I just can't wait to be with my baby tonight...
