Wait a little longer please Jesus
There are so many still wandering out in sin
Just a little longer please Jesus
A few more days to get our loved ones in.

Here the labor is so hard and the workers are so tired
And our weary hearts are yearning for a rest
And we find we're getting anxious to be in that happy
home
Where we'll receive such peace and happiness.

We may look into the skies and tears will fill our eyes
While our burdened hearts grow heavier with each day
First we cry oh Lord please come, come and take your
children home
But then we look around us and we say.

Wait a little longer please Jesus
There are so many still wandering out in sin
Just a little longer please Jesus
A few more days to get our loved ones in.

The family's scattered here and there but Lord we love
them dear
And maybe we can help them find their way
Then if waiting is the cost that they may not be lost
Lord that's the only reason why we say

Wait a little longer please Jesus
There are so many still wandering out in sin
Just a little longer please Jesus
A few more days to get our loved ones in.

Just a little longer please Jesus
A few more days to get our loved ones in.
