When we dance together my world's in disguise
It's a fairyland tale that's come true
And when you look at me girl with those stars in your
eyes
I could waltz across Texas with you.

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
I could waltz across Texas with you.

--- Instrumental ---

My heartaches and troubles just packed up and gone
The moment you come into view
And with your hand in mine, I could dance on and on
I could waltz across Texas with you.

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
I could waltz across Texas with you.

I could waltz across Texas with you...
