I'm always here for you  
In the middle of this mess  
I'm always here to quench your thirst  
It's not my fault  
That when I'm pressed,  
A little juice comes out first

It's just so embarrassing  
You standing right there  
Staring right through me  
All I want is for you to use me  
I may be free, but I'm not cheap

Hanging here beneath the lemonade label  
Nobody notices me  
No colorful logo  
No fizzy flow  
In the soft drink machine

Got it pretty bad  
I'm a lonely sad  
Little water dispensing tab

I'm a little guy  
With insecurity  
I ain't got what them other guys give  
But what I lack in pizazz  
I make up in purity  
Just touch me and we'll live  
We'll live

It's just so embarrassing  
I see your Minute Maid looking down on me  
Carbonation's overrated  
And baby, I'm giving you no calories

Hanging here beneath the lemonade label  
Not very promamant  
Who knew I'd falter  
When bottled water  
Became so dominant

Got it pretty bad  
I'm a lonely sad  
Little water dispensing tab

Got it pretty bad  
I'm a lonely sad  
Little water dispensing tab

Got it pretty bad  
I'm a lonely sad  
Little water dispensing tab

Got it pretty bad...
