Hi, it's Vince with ShamWow.  
You'll be saying wow  
Every time you use this towel.  
It's like a chamois! It's like a towel!  
It's like a sponge.

A regular towel doesn't work wet - this works wet or dry.  
This is for the house, the car, the boat, the RV!

ShamWow holds twenty times it's weight in liquid. Look  
at this!  
It just does the work!

Why do you want to work twice as hard?  
Doesn't drip, doesn't make a mess.  
Wring it out, you wash it in the washing machine.

Made in Germany, you know the Germans always make  
good stuff.

You can cut it in half, use one as a bath mat, drain your  
dishes with the other one.

Use one as a towel.  
Olympic divers, they use it as a towel.  
Look at that! Completely dry!

Put a wet sweater, roll it up, it dries your sweaters.  
Here's some cola, wine, coffee, cola, pet stains. Not only  
is the damage gonna be on top - there's your mildew.  
That is going to smell! [ See that? ]

The most absorbing We're gonna do this in real time!  
Look at this! Put it on the spill, turn it over! Without even  
putting pressure, fifty percent of the cola right there.

You followin me, camera guy?

The other fifty percent, the color starts to come up. No  
other towel's gonna do that!  
It acts like a vacuum!  
And look at this - virtually dry on the bottom!

See what I'm telling ya?

ShamWow! You'll be saying wow every time!
