Your parents told you, that we don't exist  
Well how in the world do you explain this  
We gonna eat ya like we ate your neighbor Nathan  
He tasted like waffles, gummy bears and turkey bacon  
We forge a letter in your handwriting to say  
you hate your family, so you ran away

sleep, sleep, sleep, sleep tight  
You gonna get your good rest tonight  
sleep, sleep, sleep tight  
.. .. in the morning light  
sleep, sleep, sleep, sleep tight  
sweet dream for the fearsome mind  
sleep, sleep, sleep, sleep tight  
sleep, sleep, sleep, sleep, sleep, sleep, sleep tight

whoptifreakindoo look who lost a tooth today  
You've done nothing, but you expect to be paid  
I bet you don't even know what we do with the tooth  
We grind it up then we put it in fast-food  
And the money that we leave behind isn't even real  
It's printed on a inkjet, a counterfeit bill

sleep, sleep, sleep, sleep tight  
You gonna get your good rest tonight  
sleep, sleep, sleep tight  
.. .. in the morning light  
sleep, sleep, sleep, sleep tight  
sweet dream for the fearsome mind  
sleep, sleep, sleep, sleep tight  
sleep, sleep, sleep, sleep, sleep, sleep, sleep tight

You're an old man, I'm the sandman  
Your dreams and in my hands  
And I can make you dream  
Any dream that a man can

Be a front man for a blues band  
Have a younger mans .. ..  
Or make you show up naked for your final exam  
But tonight I plan to transport you to an ancient land

Where you'll rescue a maiden from an evil man's  
hands

sleep, sleep, sleep, sleep tight  
You gonna get your good rest tonight  
sleep, sleep, sleep tight  
.. . . in the morning light  
sleep, sleep, sleep, sleep tight  
sweet dream for the fearsome mind  
sleep, sleep, sleep, sleep tight  
sleep, sleep, sleep, sleep, sleep, sleep, sleep tight

Fresh out of prison, looking for some stuff to lift  
This time tomorrow it'll be a craig's list  
HEY shh  
WHAT shh  
SORRY shh  
What's that?  
Do you think this would make me look fat  
can you help me get this thing through the window  
It's our ticket to the antiques road show

Uh-oh
