Yeah. This one is for the Cyberhians and the  
Rhiannatics.  
'Cause when they give me love, I just gotta give it back  
So don't stop that love. I love you all. yeah, uh, ey,  
c'mo-  
Awww, awww, C'mon!

Let me tell you all a story 'bout love a support  
'Bout the only audience to whom I report  
[Who?] I'm talking 'bout my fans don't act like you don't  
know  
They be drivin' down to provinces to watch my mall  
shows  
They be wavin' up my banner in Party P  
They be watchin' all my soap operas on TV  
They be writin' me songs, they be cookin' me food  
Yeah, They stand up for me so don't you get rude,  
Homie.

Pull me up when I drown [Yeah, sing it, Rhian]  
Turn my whole world around [Uh, what she said]  
Raise me up from the ground [I totally agree]  
When I'm drownin' they save me  
They raise me up, Never let me down

Now I ain't done yet, You should see them all on Twitter  
Yeah, They tweet so hard, they're the laptop killaz  
They tweet me @whianwamos, Them's their tactics  
So I stay in touch with Cyberhians and Rhianatics  
They greet my sister too when it's her birthday  
But who needs an occasion? They tweet my parents  
err-day  
[Why are you so mad?] Boy do I look mad?  
They're the best fans anyone has ever had,  
Playa

Pull me up when I drown [brrrrrrrrrr I'm drowning, save  
me]  
Turn my whole world around [Turn around]  
Raise me up from the ground [I'm clawing out]  
When I'm drownin' they save me

They raise me up, Never let me down

Sure, I'm not all that, and maybe I can't dance  
But in their eyes I'm awesome, Nothing stops my fans  
I don't care who you is, I don't care what you do  
But if you ain't me, no way that they be lovin' you  
Fo shizzle my nizzle, I got lizzle for my fizzles  
Don't ask again, Yeah, Shut your mouthizzle  
Get outta my face, You better have learned your lesson  
You better know now that mine ain't fans you can  
question,  
Dawg

Pull me up when I drown [(deep breath)]  
Turn my whole world around [Around, like a U-turn]  
Raise me up from the ground  
When I'm drownin' they save me  
They raise me up, Never let me down  
[Word.]
