Mmmmmm... Yeahhhh...  
All I need is you here with me  
Someone to depend on  
When the rain falls down

All I Know  
Is the way I feel  
Whenever you're around me  
All the darkness turns to day

Oooohhhh...  
What you do to me...

You're the one and only  
Treasure in my life  
A feeling I can't hide from you  
That you're the only one  
You're the one and only  
Pleasure in my life  
A feeling that goes on and on  
And you're the only one

All my thoughts  
They just run away  
Move a little closer  
Now we breathe as one

Take my hand  
Let's fly away  
To another place in time  
Let the world just fade away

Oooohhhh...  
What you do to me...

You're the one and only  
Treasure in my life  
A feeling I can't hide from you  
That you're the only one  
You're the one and only  
Pleasure in my life  
A feeling that goes on and on

And you're the only one

Ooohhhh...

What you do to me...

You're the one and only  
Treasure in my life  
A feeling I can't hide from you  
That you're the only one  
You're the one and only  
Pleasure in my life  
A feeling that goes on and on  
And you're the only one

You're the one and only  
Treasure in my life  
A feeling I can't hide from you  
That you're the only one  
You're the one and only  
Pleasure in my life  
A feeling that goes on and on  
And you're the only one
