Friend I hope that you don't mind
I know it's late it's just that I need someone to talk to
right now
Can't believe I been so blind
After all this time what I do so wrong?
I can't work it out

Don't flatter yourself thinkin' that it's worrying me
And do I really need to ask if I was better than she?
And everytime you do it hope you're thinkin' of me
I'm so glad for you honey, and I hope it feels good

Shit I should of known, cos you're a lyin' cheating son
of a...

Damn that no good lyin' cheatin son of a...
No one'll love him better than me
All this time I had no eyes for another, I swear!
Can't believe this is happenin' to me

So last night when I got home
I heard him on the phone, talking in a different tone
Till I heard that he weren't alone
Said who you talkin' to, right then I knew
Shoulda seen him burn up red
And that swear fall from his head!

Don't flatter yourself thinkin' that it's worrying me
And do I really need to ask if I was better than she?
And everytime you do it hope you're thinkin' of me
I'm so glad for you honey, and I hope it feels good

Shit I should of known, cos you're a lyin' cheating son

Damn that no good lyin' cheatin son of a...
No one'll love him better than me
All this time I had no eyes for another, I swear!
Can't believe this is happenin' to me

Oh I redialed just to check that the denial was an act
And what I thought I heard was real

I couldn't have been more right
She picked up 'Oh baby hi'
When I turned and threw it back at him saw red and
smashin' things

Damn that no good lyin' cheatin son of a...
No one'll love him better than me
All this time I had no eyes for another, I swear!
Can't believe this is happenin' to me
