Dont' look now
Look who's just walked in
No not him you silly thing,
Right over there
Stop it! Don't stare girlfriend

Do I look alright? No, I mean enough to make him mine
Pass me your mirror wanna double check
Before I stride

God damn right I'm gonna step up
Pass me that pen
It's in there amongst my makeup

Just wait here don't you move
Watch my things wish me luck alright

Ooh you
You make my heart go boom boom
Shoop be do be do what's up
Ooh you
You make my heart go boom boom
Shoop be do be do what's up
Wanna boogie boogie down

Now never's wearing thin
Look my hands are shakin'
And the music takes my hips, just like a bassline should

Did he look at me? Ooh I think he did
Quick turnaround
Ooh you ain't got no time to act the shy girl now

God damn right I'm gonna shake it,
But look at my heals fingers crossed.
I'm gonna make it

Just wait here don't you move
Watch my things wish me luck alright

[Chorus]

Bop bop shake it baby
Cuddle up, buttercup
Shoop shoop sugar honey
Don't stop!

Bop bop shake it baby
Cuddle up, buttercup
Shoop shoop sugar honey
Keep on going don't stop!

[Chorus]

Just wait here don't you move
Watch my things wish me luck alright

[Chorus]
