Oh Baby Oh still a long way to go  
And hold on if you're loosin your way  
Oh Baby Oh still along way to go  
Hold on tighter if your goin my way oh

Someone take this gloom and walk right on  
Take it some place that I dont go  
Try to push myself it just holds me back  
The stronger I go  
I'm learning fast to fly away  
And I took the blues on and won  
Turn around I'll be smiling all the way to the sun hey  
yey

Oh Baby Oh still a long way to go  
And hold on if your loosin your way  
Oh Baby Oh still along way to go  
Hold on tighter if your goin my way oh

Steady as you go hold your hand in mine  
Don't stop if your movin on  
Put your mind into a happy photograph  
Ain't no worry at all  
I'm gettin stronger everyday  
It feels so good just to smile  
Feels just like I can take a thousand miles in my stride  
hey yey

Oh Baby Oh still a long way to go  
And hold on if your loosin your way  
Oh Baby Oh still along way to go  
Hold on tighter if your goin my way oh

Oh Baby Oh still a long way to go  
And hold on if your loosin your way  
Oh Baby Oh still along way to go  
Hold on tighter if your goin my way oh
