Iâ€™ll be your angel  
Iâ€™ll be here always  
Youâ€™ll never have to look anywhere  
Cuz Iâ€™ll always be there  
To hold you  
To love you  
Iâ€™ll be the wings around you  
So look to the sky  
For Iâ€™m here

If youâ€™re ever lonely  
And your heart is hurting  
And it feels like no-one cares  
When you stop worrying  
And stop all your searching  
And look to the sky  
Iâ€™ll be there

To comfort you  
And all that you do  
I promise Iâ€™ll be your dream come true  
Donâ€™t you know that

Chorus:  
Iâ€™ll be your angel  
Watching over you  
And Iâ€™ll will be here forever  
Just look to the sky Iâ€™ll be there

You cant be the one to  
Get caught in your troubles  
When you have real love on your side  
To encourage you to  
Go through every battle  
With your head lifted up high

Then youâ€™ll find truth  
In all that you do  
Iâ€™ll promise Iâ€™ll be your dream come true

2 times Chorus

Now that you know exactly what to do  
You can make it loves around you  
And if you need something  
To encourage you  
You can just remember  
The sky is your truth

If you're ever lonely  
And your heart is hurting  
And it feels like no-one cares  
When you stop worrying  
And stop all your searching  
And look to the sky  
I'll be there

5 times Chorus
