Don't want to talk, I'm tired of making up.
All we seem to do is scream and shout.
Don't want to sleep, I'm tired of waking up.
All we seem to do is scream and shout.

[Chorus]

If this is the end I'm taking over
This is the first time I've been out
In what feels like so long, I've been let down.
It feels like a landslide has taken a part of me out,
That I've never found

If this is the end then I want you all to know.
If this is the end I'm going to cash my ticket in.
I try my best but I always seem to fail
You want us all to stand but what's that mean.

This is the first time,
The first in a long time.

It's over?
She says, she says I want a ticket
She says, she says I want to be part of it
