Yeah a man once said to me
That God was the only thing free
I wanted to argue
But he wouldn't let me cause of you
Yeah my Mum once said if you love someone let them
know
But that was wrong cause of the freaking hoe
I was heartbroken
Cause of the words I had spoken

I was sitting down with your parents for nothing
I was buying you that diamond ring
You took all my money from me
All that for nothing
Nothing at all

I am only human
I am just fuming
I wish I was kissing you
I wish you would let me do it for you
I was fucking trying

Then I was fucking crying
Can't you see
What you meant to me?

I was sitting down with your parents for nothing
I was buying you that diamond ring
You took all my money from me
All that for nothing
Nothing at all

Had to go for my best friend
Then try to take it back and mend
Wanna be just like me
Like cutting down the holy tree

I was sitting down with your parents for nothing
I was buying you that diamond ring
You took all my money from me
All that for nothing
Nothing at all
